Memory Book

Your Paly '68 50th Reunion Committee is creating a Memory Book, with past and current highlights as well as pictures of our classmates from 1968.

We are asking everyone, whether you are making the reunion or not, or if you're invited as part of Paly '68 but graduated elsewhere or earlier/later, to complete and send in the pre-formatted Memory Book form on the other side of this sheet.

Please print the blank form to use. One will also be mailed to you by March 15, or you can download on from:

<http://palyhigh1968reunion.weebly.com>

under the Memory Book tab. Complete it online and attach any pictures and email the sheet to Lauren or Larry... or, print out the form, attach any pictures (copies only please, pictures will not be returned) and mail to Lauren or Larry.

Your completed Memory Book Sheet will become the property of the Reunion websites. You are responsible for your own privacy concerns.

Please complete and forward by **May 1, 2018**.
